

## The Grace Effect

*Grace over Time:*

*Letting God Shape Who I Am Becoming*

Jeremiah 18:5-6

11/26/17

Remember some of the lessons we've learned so far . . .

- My relationship with Jesus is the foundation for my "self-esteem."
- As a follower of Jesus, my life's goal is Christ-likeness.
- I can trust God for the "unchangeables" of my life.
- I can trust God to shape the things that *can* change.

As God grants His grace over time . . .

**I need to allow God to build character in my life.**
