

Scrip – Turn Everyday Shopping into Profits!

What is Scrip Fundraising?

Scrip refers to gift certificates/gift cards. With scrip fundraising, our non-profit can purchase gift cards from hundreds of merchants nationwide at a discount, which you can buy at face value. The difference is our organization's profit. Supporting our organization has never been easier!

Example: You buy a Speedway \$100 gift card. We bought it at \$96 (a 4% discount). We earn \$4!

How Much Can Our Organization Earn?

Because families are purchasing items using scrip that they would normally buy anyway, thousands of dollars can be raised for our organization without spending an additional penny.

Benefits of Scrip Fundraising:

You are spared from becoming a salesperson to your family, friends, co-workers and neighbors

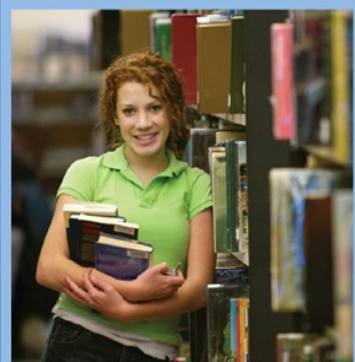

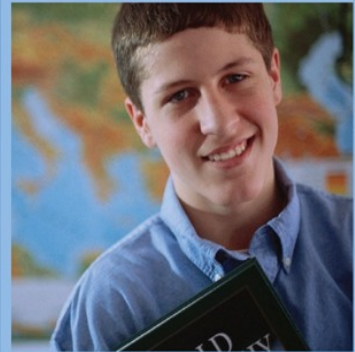

You don't need to spend any extra money on items you don't want or need - no more peeler cards, gift wrap, candy bars, etc.

Simply purchase same-as-cash gift cards and use them for what you normally buy - like groceries, restaurants, books, clothes etc. - AND we earn a percentage from every purchase you make!

More than 350 to choose from including grocery stores, gas stations, drug stores, home repair stores, coffee shops, movies – and more!

A complete list of the participating merchants and be found in the church office or on our website: www.fairfaxbaptist.com

To Participate:

Place your order during fellowship hour following Sunday's worship service.
You will receive your cards at the same time the following Sunday.
